DESCRIPTION: This strategically located property boasts a rare 44.78+/- acres across its entirety. Having great exposure to US HWY 29 (WI DOT Traffic count of 28,300 vehicles passing on average a day) this property's potential is endless. Having power on site at the driveway and three phase power a short distance away, gives you the opportunity to build a business, truck shop, industrial park, or home development. With the topography of the land being very flat, it is apparent the amount of dirt work needing to be done to develop should be minimal. Also, the amount of depth this property offers (spanning approximately a half mile), makes it possible to fit many apartment complexes/homes upon the land.
