### DESCRIPTION

High Point Land Company is honored to offer a 73.5+/- acre recreational retreat in the heart of Allamakee County, Iowa!

This tract has everything a whitetail hunter in Northeast Iowa could ask for. With timbered ridges running East and West, this is the ideal scenario to set up on the downwind side of the ridgetop trails to take advantage of both the predominant winds and rising thermals.

Coupled with potential access points from both the North and the South, this farm has incredible top access, with an excellent trail system to move throughout the property. These trails have had a tremendous impact on the property by opening up the canopy and allowing for a strong regeneration of young trees and shrubs; providing excellent browse throughout the farm. With a great stand of mature hardwoods, this property also has an multiple stands of cedar throughout producing great bedding habitat, and thermal cover to hold deer year round.

On the South side of the property, there is roughly 8.5 acres of tillable land, with additional room for food plots. This tillable land adds diversity to the property and could easily be converted into a destination food plot for the entire Village Creek drainage.

Not to be overlooked, as you enter the farm you are welcomed to a 42x58 steel building. With concrete throughout and a paved lean to facing East, this completes the ultimate getaway. Complete with a kitchen, rough finished living quarters, massive cold storage area, spray foamed and wired with electricity. The overall design has been well thought out and provides the perfect opportunity to finish the building as you see fit to.

This area of Allamakee County has a tremendous track record of producing incredible whitetails, and this property has been an example of that. With minimal effort, this property has produced mature whitetails year after year, which makes this the perfect property to improve with additional food plots in the already cleared openings.

This property can also be offered as 65 +/- Acres and would not include the building. Please call for details.
